

Using a reference:

There are several ways of giving a reference in a text. I would advise you to follow the format below, unless otherwise instructed. The "References:" part goes at the end of your document.

Sample Text:

XML technologies provide many benefits for developers in general. Using XML technologies, the storage of data is clearly separated from its processing and presentation. CALL developers have started to use XML technologies in their CALL material (Ward, 2002).

References:

Ward, M., 2002. Reusable XML Technologies and the Development of Language Learning Materials. *ReCALL*, Vol. 14, Number 1, Nov 2002.
